

# POWERGAME+™

## Proven

Custom engineered design that outplays any modular surface in the game—from a company with over 50 years of experience building game courts.

## Weather Resistant

Specialty grid design reducing water retention on top of the surface and superior UV resistant formula.

## Performance

A lightly textured surface providing the best balance between dry traction and low skin abrasion. Plus, the reliable triple-action locking system keeps the surface secure during assertive play.

## Ball Response

PowerGame+™ delivers the same dribbling response as a hardwood floor unmatched by the industry.

## Safest

Superior, double-length shock absorption understructure, Lateral Forgiveness™ technology that lessens impact and risk of injuries compared to any other traditional outdoor surface.

Sport Court® is proud to be the official court of the most demanding athletes in the world.
